

# WHERE WOULD YOU LIKE TO LIVE?

Manzi would like you to look at the two river scenes below. Underneath them are some animals, plants and items that you could find in a river. If you were one of these animals, plants or items, where would you like to live - River A or River B? Which river is best for you to live in? Please write the letter A or B in the block next to each animal, plant or item.

- |   |   |   |  |   |  |

Count up all the As and Bs.  
 River A =  River B =   
 Is there more life in River A or River B?

Next to which river would YOU like to live? Why? Do you see that it is very important for YOU not to litter and not to waste water, so that our rivers have enough water and remain clean and healthy?  
 It is important for YOU to be Water Wise!!!

**WIN**
