

# WATER WEEK CAMPAIGN

## 2012

Please turn off your computer  
before you leave work.

A computer left on all night can  
waste up to 300 watts an hour,  
which is the same as leaving  
fifteen energy-saving light  
bulbs burning all night.

For more information on Water Wise® contact us  
on 0860 10 10 60 or visit [www.randwater.co.za](http://www.randwater.co.za)  
and click on the Water Wise logo
